

# Faculty / Mentor Endorsement

Please complete the endorsement below.

Thank you!

---

Dr. [last\_name] has applied for a Grant Planning Studio with the Clinical and Translational Science Institute.

Grant Planning Studios are opportunities for investigators to connect with CTSA-supported resources available to them as early as possible in the grant planning stage of their work. Grant Planning Studios are held every quarter and are tailored to the needs of the applicants.

We ask applicants to obtain an endorsement from a faculty chair, division chief or mentor who supports their project/research idea.

Dr. [last\_name] has named you as someone who can endorse their project/research idea.

Please provide your endorsement of Dr. [last\_name]'s application below.

Thank you!
